Reservations at The Cumberland Arms

**Don't Panic! We are not turning into a restaurant!
But we are now taking bookings in the pub**

**We can take reservations for large groups
(up to 30 people)**

We are also reserving a limited number of tables for smaller bookings in the pub

Rest assured, this is still a pub so the majority of tables will remain un-reserved

For the larger groups we offer a canape menu & set menu in addition to our monthly menu
